## **MEAT WASHER**

### **Features and benefits:**

Rinses products before further processing. The tumbling action removes unwanted bone chips, fat particles and other surface contaminants without adding water to the product. Produced and constructed with sanitation features in mind. Works well with Stones rotoscreen as a cost effective filtration system.

### **Construction:**

Built to customers specifications. Heavy duty 300 stainless steel, TIG welded. Stainless steel wash down motors.

### **Description:**

Manufactured and designed with endurance, sanitation, maintenance ease and production needs in mind.

**ALL PRODUCTS AND SERVICES CARRY A 100% SATISFACTION GUARANTEE FOR QUALITY, DURABILITY AND RELIABILITY.**
